

Customer Agreement

Additional Terms Attachment

Evergreen//One

The provisions of this Additional Terms Attachment are in addition to and prevail over the General Terms of the Dynamix Group Customer Agreement for sales of Evergreen//One™, an offering of Pure Storage, Inc. ("Pure"). Capitalized terms are defined in the General Terms of the Dynamix Group Customer Agreement or in Section 7 of this Attachment.

1. Terms of Sale

Evergreen//One will be provided by Pure under the terms of the [Pure End User Agreement](#) and [Evergreen//One Terms of Use](#) (together, the "Terms of Use").

2. Pure Connectivity Required

Customer agrees to allow Pure to remotely monitor capacity usage on a daily basis by using its phone-home feature called Pure1. In addition, Customer agrees to allow Pure to manage Evergreen//One using Pure Edge Services and to enable Pure Edge Services for the duration of its use of Evergreen//One. Failure by Customer to ensure that Pure1 and Pure Edge Services are enabled is a material breach of these terms and will incur additional fees as calculated by Pure.

3. Invoicing

Reserve Capacity is invoiced in advance at the Reserve Rate according to the billing frequency specified in the Sales Quote. Reserve Capacity can be increased but cannot be reduced during the Subscription Period.

On Demand Capacity is calculated by Pure according to the Terms of Use and invoiced in arrears at the On Demand Rate according to the billing frequency specified in the Sales Quote.

By Customer's acceptance of the Sales Quote, Customer commits to pay for Evergreen//One for the entire Subscription Period and agrees that payment is not contingent upon Customer's issuance of any additional purchase orders or other approvals.

4. Subscription Hardware

Pure retains title to all hardware provided as part of Evergreen//One ("Subscription Hardware"), and Subscription Hardware may not be moved without Pure's written consent. Upon termination or expiration of the Subscription Period, Customer shall (i) promptly contact Dynamix regarding the return of Subscription Hardware to obtain an RMA number, packaging instructions, and shipping address; (ii) promptly return the Subscription Hardware to Pure in accordance with Dynamix's reasonable shipping instructions; (iii) reimburse Dynamix for reasonable repair or reasonable replacement costs associated with any damage to the Subscription Hardware (other than normal wear and tear) while in Customer's possession; and (iv) ensure that all information stored on the Subscription Hardware is removed in its entirety. Dynamix and Pure are not responsible for or liable to Customer, or any third party, for any information remaining on the Subscription Hardware returned to Pure, and Pure has the right to delete and destroy any such information or data.

5. Term

Unless otherwise set forth in the Sales Quote, the start date of any Subscription Period shall be: (i) 28 days from Pure's acceptance date of any purchase containing Evergreen//One as identified in Pure1, or (ii) the acceptance date for any renewal or modification of an Evergreen//One subscription. Upon expiration of the initial Subscription Period, Evergreen//One will automatically renew for subsequent 12-month terms, unless Customer provides Dynamix and Pure written notice of its intent not to renew at least 60 days prior to the expiration of the then-current Subscription Period.

6. Modification Date

Dynamix last modified these Additional Terms on June 26, 2025.

Customer Agreement Additional Terms Attachment

7. Definitions

Evergreen//One means Pure's hardware, software, or service that is delivered to Customer on a subscription basis and provided under the Terms of Use.

On Demand Capacity means any utilization of the applicable Pure subscription above and beyond the Reserve Capacity.

On Demand Rate means the rate specified in the Sales Quote for On Demand Capacity.

Reserve Capacity means the minimum usage commitment of the applicable Pure subscription for an agreed upon Subscription Period.

Reserve Rate means the rate specified in the Sales Quote for Reserve Capacity.

Subscription Period means the time period specified in the Sales Quote during which Evergreen//One is available to Customer.
