

Customer Agreement Additional Terms Attachment

Evergreen//One

The provisions of this Additional Terms Attachment are in addition to and prevail over the General Terms of the Dynamix Group Customer Agreement for sales of Evergreen//One™, an offering of Everpure, Inc. ("Everpure"). Capitalized terms relating specifically to Everpure Products are as defined in the Terms of Use.

1. Terms of Sale

Evergreen//One will be provided by Everpure under the terms of the [Everpure End User Agreement](#) and [Evergreen//One Terms of Use](#) (together, the "Terms of Use").

2. Invoicing

The Evergreen//One Reserve Commitment is invoiced in advance at the Reserve Rate according to the billing frequency specified in the Sales Quote. The Reserve Commitment can be increased but cannot be reduced during the Service Term. Evergreen//One On-Demand capacity as calculated by Everpure is invoiced in arrears at the On-Demand Rate according to the billing frequency specified in the Sales Quote.

By Customer's acceptance of the Sales Quote, Customer commits to pay Dynamix for the charges as calculated by Everpure according to the Terms of Use for the entire Service Term and agrees that payment is not contingent upon Customer's issuance of any additional purchase orders or other approvals..

3. Everpure Evergreen//One Service Infrastructure

Everpure retains title to the Service Infrastructure, and Service Infrastructure may not be moved without Everpure's written consent. Upon termination or expiration of the Service Term, Customer shall (i) promptly contact Dynamix regarding the return of Service Infrastructure; (ii) promptly return the Service Infrastructure to Everpure in accordance with Dynamix's reasonable shipping instructions; (iii) reimburse Dynamix any reasonable repair or reasonable replacement costs associated with any damage to the Service Infrastructure (other than normal wear and tear) while in Customer's possession as charged by Everpure to Dynamix; and (iv) ensure that all information stored on the Service Infrastructure is removed in its entirety. Dynamix is not responsible for or liable to Customer, or any third party, for any information remaining on the Service Infrastructure returned to Everpure.

4. Modification Date

Dynamix last modified these Additional Terms on July 9, 2025.
